

🎵 Happy, Sad, Angry 🤖

"Happy, Sad, Angry" is a multisensory TPR song for children (4–10) that teaches emotional vocabulary through musical contrast and facial mimicry. It eliminates translation by using tone and movement to build direct neural meaning.

[Intro] 🎤

"Are you ready? Let's show our faces!
One, two, three... GO!" 🚀🌈

[Verse 1: HAPPY] 😊

I am HAPPY! /'hæpi/ ✨
Yes, I am! ✅

Smile, smile, smile! 😊

Clap your hands and dance around! 🕺

Smile, smile, smile!

(Short pause for haptic interaction) 📱☁️

[Verse 2: SAD] 😞

I am SAD. /sæd/ (Phonetic stress: S-AA-D)

Oh, so SAD. /sæd/

Rub your eyes and look at me. 👁️👁️

Pout, pout, pout. 😞

[Verse 3: ANGRY] 😡

I am ANGRY! /'æŋgri/ 😡

Watch me now! 😡

Stomp, stomp, stomp! 🦶

Cross your arms and frown your face! 😡

Stomp, stomp, stomp!

[Bridge: The Fast Recall] 🧠

Quick! Quick! 🙌

Show me HAPPY! 😊 (Pause)

Show me ANGRY! 😡 (Pause)

Show me SAD! /sæd/ 😞 (Pause)

And HAPPY once again! ☀️

[Chorus] 🎵

Happy 😊, SAD /sæd/ 😞, or angry too 😡,

Faces show what's inside you! 💖

Jump for joy, let's play the game, 🎮

Learning English is our aim! 🇬🇧🗝️

[Outro]

"Great job! You are a feeling superstar!"
