

👋 Hello, Goodbye 👋

This ritual song uses waving gestures (TPR) to mark the start and end of a lesson. It lowers the "affective filter" by creating a predictable routine where meaning is established through social cues rather than translation.

[Intro] 🎤

"Hello! 👋 Are you ready? Let's go!" 🚀

[Part 1: The Hello Song] ☀️

Hello, hello, how are you? 😊

Wave your hand, one and two! 👋

Hello, hello, smile at me, 😊

Happy faces, let me see! 🌈

[Verse: Movement] 🧘

Stand up tall, reach for the sun! ☀️

Sit back down, let's have some fun! 🪑

Hands up high, hands down low, 🙌

Now we're ready, here we go! 🏁

[Part 2: The Goodbye Song] 🌙

The clock goes tick, the clock goes tock, 🕒

Time to stop and close the lock! 🗝️

Goodbye, goodbye, wave your hand, 👋

The bestest learners in the land! 🏆

[Outro] 👋

Goodbye, goodbye, see you soon! 🌙

(Mascot waves and disappears)

"Goodbye!" ✨
