

Under the Table

(Focus: Prepositions of Place - in, on, under)

Spatial relationships are naturally visual, making them ideal for the TPR method in a digital environment. This song challenges children to solve spatial problems by dragging objects based on audio instructions. If an object is placed incorrectly (e.g., "on" instead of "under"), the app provides soft, corrective feedback, like the object gently sliding back, to maintain a positive learning flow.

 Song Lyrics

[Intro] 

"Where is the cat?  Let's find out! 

One, two, three... GO!" 

[Verse 1] 

Put the cat IN the box. 

IN the box!

Put the cat IN the box. 

Yes! It's IN! 

(Interaction: Drag the cat inside the box) 

[Verse 2] 

Put the cat ON the chair. 

ON the chair!

Put the cat ON the chair. 

Great! It's ON! 

(Interaction: Drag the cat onto the seat) 

[Verse 3] 

Put the cat UNDER the table. 

UNDER the table!

Put the cat UNDER the table. 

Super! It's UNDER! 

(Interaction: Drag the cat beneath the table) 

[Bridge – Fast Recall] 

(Tempo increases) 

Quick! Put it ON! 

Quick! Put it IN! 

Quick! Put it UNDER! 

[Outro] 

"You found the cat!  You are a Space Master!"
