

Farm Friends

This song categorizes animals into their correct habitats (the farm) while using sounds and movements to establish meaning. It bypasses translation by activating natural language acquisition mechanisms—linking the auditory "Moo" directly to the visual image of a cow.

[Intro] 

"Let's go to the farm!  Who is here?   
One, two, three... GO!" 

[Verse 1] 

The COW says: MOO! 
MOO, MOO, MOO!
The COW is big. 
Chew like a COW! 

[Verse 2] 

The PIG says: OINK! 
OINK, OINK, OINK!
The PIG is pink. 
Roll like a PIG! 

[Verse 3] 

The CHICKEN says: CLUCK! 
CLUCK, CLUCK, CLUCK!
The CHICKEN is small. 
Flap like a CHICKEN! 

[Chorus] 

Moo, Oink, Cluck-cluck-cluck, 
On the farm, we have some luck! 
Animals here, animals there, 
Funny sounds are everywhere!  

[Bridge – Fast Recall] 

(Tempo increases) 

Show me the COW!  (Moo!)

Show me the PIG!  (Oink!)

Show me the CHICKEN!  (Cluck!)

[Outro] 

"You are a Farm Expert!"
