

## ☀️ Sunny, Rainy, Snowy

(Focus: Weather and Interactive Gestures)

Weather concepts are visualized through kinetic animations and physical gestures to prevent cognitive overload. By dragging "the sun" or "the rain" into the scene, children interact with weather biomemes, creating strong visual-auditory associations.

🎵 Song Lyrics

[Intro] 🎤

"Look outside! 🏠 What's the weather? ☀️🌧️❄️

One, two, three... GO!" 🚀

[Verse 1] ☀️

It is SUNNY! ☀️

The sun is hot. 🔥

Make a big circle! ○

It is SUNNY! ✨

*(Action: Children make a large circle with their arms above their head)*

[Verse 2] 🌧️

It is RAINY! 🌧️

The rain is wet. 💧

Wiggle your fingers! 🖐️

It is RAINY! 🌧️

*(Action: Children wiggle fingers downward to simulate falling rain)*

[Verse 3] ❄️

It is SNOWY! ❄️

The snow is cold. 🥶

Hug yourself tight! 🤗

It is SNOWY! ❄️

*(Action: Children hug themselves and shiver)*

[Chorus] 🎵

Sunny, Rainy, Snowy too, ☀️🌧️❄️

Weather's fun for me and you! 😊

Look at the sky, look at the ground, 🌍

Weather changes all around! 🌈

[Outro] 🏆

"Great job! You are a Weather Hero!" ✨
