

In My Bedroom

(Focus: Furniture and Tidying Up)

This song focuses on domestic vocabulary and furniture by simulating a real-world scenario (tidying a room). It uses haptic "drag and drop" challenges to anchor the names of objects and their locations, strengthening the memory trace without the need for text-based instructions.

🎵 Song Lyrics

[Intro] 🎤

"It's time to clean! 🧹 Put the toys away! 🧸 🚗

One, two, three... GO!" 🚀

[Verse 1] 🛏️

The BED! 🛏️

Put the teddy on the BED! 🧸

Put it ON the BED!

(Interaction: Drag the teddy bear to the bed) 🖱️

[Verse 2] 📦

The BOX! 📦

Put the car in the BOX! 🚗

Put it IN the BOX!

(Interaction: Drag the car inside the toy box) 🖱️

[Verse 3] 🪜

The SHELF! 📖

Put the book on the SHELF! 📖

Put it ON the SHELF!

(Interaction: Drag the book onto the wall shelf) 🖱️

[Chorus] 🎵

In my bedroom, clean and neat, 🏠

Everything is such a treat! ✨

Bed and box and shelf so high, 🪜

Clean my room, oh me, oh my! 😊

[Outro] 🏆

"Look! A clean room!" ✨

"You are a Tidy Master!" 🌟
